HC MEDIA BRANCH IS OPEN

We're pleased to offer Pentucket Bank customers in the Merrimack St. area the temporary HC Media Branch which opened its doors on February 22.

The HC Media Branch offers a wide range of services including account opening, account maintenance transactions, and deposit and loan advisory services. For cash transactions, customers may utilize the updated Harbor Place ATM.

More importantly, the HC Media Branch fulfills our commitment to remaining accessible and in Haverhill's downtown throughout the construction period.

EXETER BRANCH GROUNDBREAKING

We're excited to announce that following an early approval from the Town of Exeter Planning Board, we've broken ground on the future home of Newburyport Bank's free-standing Exeter Branch. This Branch will replace the current Branch in the plaza, offering customers a full-service banking experience while further solidifying the Bank's investment into the Exeter area community.

While a formal timeline is yet to be announced, we're looking forward to welcoming customers to the new branch in early 2025.

We welcome the opportunity to further support your deposit and lending needs and those of your colleagues and friends. Your referral is the highest compliment we can receive, and your banking relationships are what allow us to grow and continue our investment in our communities. Please contact the teams at either of our Banks with any of your banking needs, we look forward to serving you.

Thank you for your continued loyalty as a Corporator! You are an integral part of the River Run family, and we're grateful for your ongoing support.

Regards,

Lloyd
